Summer School

The programme "Responsible leadership in times of change" has been developed by the Università Cattolica del Sacro Cuore and the ESB Business School, Reutlingen University. It is part of the broader seminar cycle "From management to leadership in a *glocal* context" which aims at developing insights and successful leaders with a positive *glocal*, i.e. global & local impact. The three and a half day intensive residential programme takes place in an exceptional environment, Villa Vigoni, on Lake Como, the seat of the German-Italian Center of European Excellence.

DIRECTORS

Prof. Dr. Federica Missaglia, Università Cattolica del Sacro Cuore

Prof. Dr. Nello Gaspardo, ESB Business School, Reutlingen University

FACULTY

Vittorio Emanuele Parsi is Full Professor of International Relations at the Catholic University of Milan. In 1994-95 he taught International Relations at the State University of Milan and in 1997 Introduction to Political Science at the Royal University of Phnom Penh (Faculty of Social Sciences). He also taught International Relations at the University of Macerata and at the Master in International Relations, University of Bologna. At present his research focuses on the subject of "national interest" in the light of transformation of state sovereignty in the global context.

Stephan Seiter is Full Professor of Economics and Quantitative Methods at the ESB Business School of the Reutlingen University. His main fields of research are economic growth and technical progress in an international global context and its implications on the labour market. He is also the scientific director of the Reutlingen Research Institutes. He teaches at different international faculties, e.g. New School University, New York.

Mario Molteni is Full Professor of Business Administration and Corporate Strategy at the Catholic University of Milan. He is Founder and Director of ALTIS (Postgraduate School of Business & Society at the same university), an international research and education institute for the study of entrepreneurship and corporate sustainability. He is the founder of Social Projects Exchange, a non profit organization created to develop partnerships between profit and non profit sectors and in 2006 created the Italian network of CSR managers. He is consultant and trainer in Business Strategy and CSR.

Nello Gaspardo is Full Professor of Communication, International Negotiations, Leadership and coordinator of the German-Italian Link between the ESB, Business School and the Università Cattolica del Sacro Cuore. He is teaching at the Philadelphia University (USA) and J.P. Jain Institute of Management & Research, Mumbai (India), and advising many global players in the field of International Negotiations and Leadership.
